Each year it becomes more involved, more complex and we need more volunteers to stage this outstanding event. Our planning year starts in January running right up to the day of the event and after, our 'post-mortem' of the event, as well as dealing with all the paperwork goes 'til about the end of November and then we have the month of December to re-charge, renew and, in January, we start all over again!

Art in the Park 2010 offers a number of volunteer positions in the following areas:

1. Site Management - the physical setting up of the park for exhibitors and amenities
2. Traffic Control - both for the set-up and takedown of exhibitor booths and the public
3. The Food Court - offering a variety of food choices and jobs
4. The "Runners" - for our breakfast & lunch services to exhibitors only
5. The Country Kitchen - organization, set-up, deliveries, sales and services
6. The Country Garden - a number of related jobs for our indoor/ outdoor garden booth
7. The Village Shoppe - our Information Booth for maps, info, sales, etc.
8. The Eco-Art Centre - our specialty workshop in the Picnic Pavilion for small art projects
9. Ticket Sales - for various areas for food, drinks, ice cream, etc.
10. General "Runners" - available as needed for jobs throughout the park

This is the primary organization, offering a number of different jobs in each area that vary throughout the main days (Friday & Saturday - some Sunday work) with the highest workload being on the Saturday. (Friday, September 10th, 8:00 a.m. to 6:00 p.m. and Saturday, September 11th - 6:30 a.m. to 6:30 p.m.)
